

# IMPULSTANZ

## Vienna International Dance Festival

Press release / 8 November 2021

### Applications are open for the further education and training programmes 2022

After a successful festival summer 2021, which could take place almost entirely as usual thanks to thorough planning and in accordance with the applicable COVID-19 measures, ImPulsTanz is pleased to invite the international dance world to Vienna once again in 2022. In addition to ATLAS – create your dance trails, danceWEB and the Embodied Myoreflex Therapy Practitioner Certification, also the education programmes ImPacT and Team up! will again be offered. They're dedicated to the exchange of students with experienced dance practitioners and the improvement of their technique through individual training plans.

Registrations and applications are now open at [www.impulstanz.com/education!](http://www.impulstanz.com/education!)

**ATLAS – create your dance trails** is a five-week training programme that offers young artists with first choreographic experience and mid-career artist a dynamic environment for their personal and artistic development. It addresses two central needs: on the one hand, to have a studio available for research and piece development, and on the other, to gain new input through individual workshop programmes, visits of international productions and exchange with artists from 100 countries as well as through peer-to-peer exchange within the group. The programme is accompanied by **Guy Cools**, who works as a dance dramaturge with Akram Khan and Sidi Larbi Cherkaoui, amongst others.

**ATLAS – create your dance trails:** 6 July to 10 August 2022

**Application deadline:** 31 March 2022, 12:00 noon CET

**Information and application:** [www.impulstanz.com/atlas](http://www.impulstanz.com/atlas)

Every year **danceWEB** offers young dancers and choreographers from all over the world a five-week further education in the field of contemporary dance and performance within the ImPulsTanz – Vienna International Dance Festival. The project includes more than 200 workshops and research projects as well as up to 100 performances, artistic accompaniment by the mentors **Wim Vandekeybus** and **Nicola Schößler** and a unique platform that brings together international students, choreographers, companies, journalists, producers, teachers and visitors in Vienna.

**danceWEB:** 6 July to 10 August 2022

**Application Deadline:** 17 December 2021, 12:00 noon CET

**Information and application:** [www.impulstanz.com/danceWEB](http://www.impulstanz.com/danceWEB)

The **Embodied Myoreflex Therapy Practitioner (EMP) Certification** is a further education programme for dance and movement professionals, teachers and artistic, therapeutic or social workers, who are looking for an efficient therapeutic and pedagogical movement practice. As trained myoreflex therapists and somatic teachers, EMPs use neuro-myo-fascial movement and touch methods to develop the full movement potential of their clients. The instructors of the EMP programme, **Dr. Kurt Mosetter** and **Dr. Kerstin Kussmaul**, are pioneers in their fields and have decades of teaching experience.

**Embodied Myoreflex Therapy Practitioner Certification:** Until April 2023

**Application Deadline:** 12 December 2021

**Information and registration:** [www.impulstanz.com/embodied-myoreflex-therapy](http://www.impulstanz.com/embodied-myoreflex-therapy)

**ImPacT** welcomes individual dance students and groups for a fortnight at ImPulsTanz – with the aim of connecting the participants with the professional international dance world. In addition to workshops and performances, the academy offers discussions with festival artists and networking events. Furthermore, the students are accompanied by an experienced mentor.

**ImPacT:** Two weeks between 7 July and 7 August 2022

**Information and registration:** [www.impulstanz.com/impact](http://www.impulstanz.com/impact)

The one-week training camp **Team up!** is especially designed for groups of eight or more people of all levels, who want to deepen their training, improve their technique and receive new input in the context of ImPulsTanz. Individual training plans with workshops are designed to meet the needs of the participants and performance visits provide creative impulses.

**Team up!:** One week between 7 July and 7 August 2022

**Information and registration:** [www.impulstanz.com/team-up](http://www.impulstanz.com/team-up)
